

Within a new way of life  
Is concealed  
Sound that has never existed.

A person who was reborn  
Is living  
With a rhythm different from before.

The sounds and rhythms  
Are the breathing of the soul  
That reaches the bottom of one's consciousness.

Playing a new sound  
And beating a new rhythm  
Awaken one's soul.

# NEW YEAR GATHERING

In GLA, the New Year Gathering is held each year welcoming the general public. On the day of the gathering, Keiko Takahashi will give a lecture and enlighten us by giving us guidance on how to live the new year. At each venue, each participant will be offered a Divine Truth Card (a card with words of Bodaishin that will guide us throughout the year). In a time of the unbelievable where anything can happen, we heartily wish to take the first step of the new year embracing an unshakable hope together with you. All venues are fully prepared with infection measurers, so please join us with no worry.
