

# NEW YEAR GATHERING

Jan. ● Sun 15 | ● Sun 22 | ● Sun 29

## Toward a World of Post-COVID

In GLA, the *New Year Gathering* is held each year and welcomes the general public. On the day of the gathering, Keiko Takahashi will give a lecture and reveal guidelines to live the new year. At each venue, each participant will be offered a *Divine Truth Card*, a card with words of *Bodaishin* that will serve as support to us throughout the year. We sincerely hope to open the World of Post-COVID together with you, with wisdom and the power to survive in the *Time of the Unbelievable* where anything can happen. All venues are fully prepared with infection measurers, so please join us rest assured.
