# "The Mind Force" Opens the Future

Every January, GLA welcomes the general public to the "New Year Gathering." At the event, Keiko Takahashi Sensei will give a lecture revealing the guidelines for living in the new year. In addition, each participant will be offered a "Divine Truth Card" (a card with words of Bodaishin that will serve as guidance throughout the year).

Even in these uncertain times, we sincerely hope that this will be a year where each and every individual can draw upon inner strength and open the door to a hopeful future.
