“The Mind Force” Opens the Future

Every January, GLA welcomes the general public to the “New Year Gathering.” At the event, Keiko Takahashi will give a lecture revealing the guidelines for living in the new year. In addition, each participant will be offered a “Divine Truth Card” (a card with words of Bodaishin that will serve as guidance throughout the year).

Even in these uncertain times, we sincerely hope that this year will be the time when each and every individual can draw forth their inner strength and open the door to a hopeful future.
