

2026 New Year Gathering

“This year, I want to challenge myself with something new.”

“I want to reclaim my regret from last year and begin again.”

“I want to change myself.”

As we welcome a new year, many people may hold aspirations like these.

Yet to truly bring such aspirations to life, a new kind of power is needed, one that we have not drawn upon before.

At the 2026 New Year Gathering, we invite you to get access to the key that unlocks that power.

What is the New Year Gathering?

Every January, we welcome the general public to the New Year Gathering, a meaningful occasion where you can discover clear guiding principles to make the new year truly meaningful.

At the gathering, Keiko Takahashi sensei will offer a lecture, and each participant will receive a Divine Truth Card (a card inscribed with words that serve as a source of support and guidance throughout the year), with which you can gain the strength to live through uncertain and turbulent times.
